

## Official Freight Provider for Global Floral & Produce Show 2022

Prospensive Logistics is delighted to be the domestic inbound and outbound perishable transportation provider for the 2022 Global Floral & Produce Show. Our experts have thorough knowledge in perishable and dry freight transportation and will guide you through the shipping process to ensure on-time delivery at competitive pricing for your freight. We have assembled a dedicated team who will give you peace of mind – hand your tradeshow shipping over to Prospensive Logistics and consider it done.

### Prospensive Logistics will be offering:

Online Tracking	Consolidation of BOL/Label Preparations
Perishable FLT/LTL Service	Freight Consolidation
Perishable Consolidation	On-site Show Team
Dry FLT/LTL Service	Expedited Service

## Dates & Service Instructions

### Domestic Perishable Transportation:

We have temperature-controlled LTL consolidation options available and well as full trailer loads. All perishable freight arrangements should be arranged prior to October 3, 2022 to avoid expedited rates.

Contact our Global Floral & Produce Show Team via email [floralproduceshow@prospensive.com](mailto:floralproduceshow@prospensive.com) or call them at **675-395-2320** for rates and to secure space.

### Domestic Dry LTL Transportation:

Only need to schedule transportation for your booth supplies? You can request a quote or book your dry freight through the [floralproduceshow@prospensive.com](mailto:floralproduceshow@prospensive.com) team.

### Dedicated Trailers:

Contact the Global Floral & Produce Show Team via email at [floralproduceshow@prospensive.com](mailto:floralproduceshow@prospensive.com) for rates and to discuss your specific requirements.
