

Official Freight Provider for Global Floral & Produce Show 2024

Prospensive Logistics is delighted to be the domestic inbound and outbound perishable transportation provider for the 2024 Global Floral & Produce Show. Our experts have thorough knowledge in perishable and dry freight transportation and will guide you through the shipping process to ensure on-time delivery at competitive pricing for your freight. We have assembled a dedicated team who will give you peace of mind – hand your tradeshow shipping over to Prospensive Logistics and consider it done.

Prospensive Logistics will be offering:

Online Tracking	Consolidation of BOL/Label Preparations
Perishable FTL/LTL Service	Freight Consolidation
Perishable Consolidation	On-site Show Team
Dry FTL/LTL Service	Expedited Service

Dates & Service Instructions

Domestic Perishable Transportation:

We have temperature-controlled LTL consolidation options available and well as full trailer loads. All perishable freight arrangements should be arranged prior to October 4, 2024, to avoid expedited rates.

Contact our Global Floral & Produce Show Team via email floralproduceshow@prospensive.com or call them at (678) 395-2320 for rates and to secure space.

Domestic Dry LTL Transportation:

Only need to schedule transportation for your booth supplies? You can request a quote or book your dry freight through the floralproduceshow@prospensive.com team.

Dedicated Trailers:

Contact the Global Floral & Produce Show Team via email at floralproduceshow@prospensive.com for rates and to discuss your specific requirements.
