

Official Freight Provider for The Global Produce & Floral Show 2026

Prospensive Logistics is delighted to be the domestic inbound and outbound perishable transportation provider for the 2026 Global Produce & Floral Show. Our experts have thorough knowledge in perishable and dry freight transportation and will guide you through the shipping process to ensure on-time delivery at competitive pricing for your freight. We have assembled a dedicated team who will give you peace of mind – hand your tradeshow shipping over to Prospensive Logistics and consider it done.

Prospensive Logistics will be offering:	
Online Tracking	Consolidation of BOL/Label Preparations
Perishable FTL/LTL Service	Freight Consolidation
Perishable Consolidation	On-site Show Team
Dry FTL/LTL Service	Expedited Service

We offer **temperature-controlled LTL shipping** (both consolidated and non-consolidated/direct LTL) as well as full trailer loads (FTL).

- **Perishable Consolidation / LTL Pooling:** Shared trailer options with other exhibitors for significant cost savings.
- **Direct Perishable LTL:** Dedicated LTL service for shippers who prefer not to consolidate with other exhibitors.
- **Perishable FTL:** Full trailer load service for larger volume orders.
- **Domestic Dry LTL Transportation:** Only need to schedule transportation for your booth supplies? You can request a quote or book your dry freight through the floralproduceshow@prospensive.com team.
- **Dedicated Trailers:** Contact the Global Floral & Produce Show Team via email at floralproduceshow@prospensive.com for rates and to discuss your specific requirements

All perishable freight arrangements should be arranged prior to **September 21** to avoid expedited rates.

Contact our Global Produce & Floral Show Team via email at floralproduceshow@prospensive.com or call **+1 (678) 395-2320** for rates and to secure space.
