

International Fresh Produce Association  
Career Pathways Internship Program

Government Policy Internship Description

**Government and Public Policy Interns** will be responsible for supporting the Government Relations team, working in collaboration with Food Safety, Sustainability, and Research and Analytics interns. Interns will gain firsthand experience of federal regulatory and legislative practices affecting the industry and consumers.

**PROJECT EXAMPLES:**

- Monitor and analyze pending legislation and policy initiatives using multiple sources (e.g., tracking software, congressional newsletters, press, etc.)
- Create or update industry state profiles
- Draft issue briefs on policy priority issues of concern to the industry (e.g., farm bill, trade, transportation and infrastructure, food safety, nutrition, etc.)
- Gather, compile, develop, and summarize data specific to congressional districts
- Work with IFPA volunteer leader groups to capture the discussion of workgroup topics (e.g., on fresh produce workforce, organics, international trade, farm bill, etc.)
- Support preparation of presentations for government relations meetings and trainings
- Support development of communications for newsletters, trade press and members of Congress and other officials

**LEARNING OBJECTIVES:**

- Work collaboratively, applying knowledge and skills, to complete assigned projects
- Build technical, leadership and communication skills
- Develop emotional intelligence, problem solving and accountability competencies
- Get firsthand experience of IFPA, the industry and its career opportunities
- Benefit from structured peer-to-peer networking sessions, which, combined with the direct engagement with industry members and a personal 'career ambassador,' contribute to a robust learning environment

**MINIMUM QUALIFICATIONS:**

***Must currently be a Sophomore or Junior (rising Junior or Senior undergraduate student at the time of the summer of 2023 internship)*** in a STEM based or Agriculture degree program at an accredited college or university in good standing and be eligible to work in the United States.

- Pursuing a degree in food science, agriculture, environmental science or policy, political science, public administration, or a related field.
- Must have a current GPA of 3.0 or above.
- Able to function in a collaborative work environment and independently with strong time management and remote working capabilities.
- Possess excellent communication skills both orally and written to internal and external audiences.
- Proficient in Microsoft Office applications
- **Must be authorized to work in the United States** and able to provide necessary paperwork and information (Social Security Number, W-8 or W-9. Etc.) **upon request prior to the onsite Orientation.**

**HOURS and DURATION:**

- Part-Time Internship - approximately 20 hours/week with established and communicated working hours.

- Internships will take place during the summer semester, tentatively beginning the week of May 15<sup>th</sup> and culminating in the week of July 17<sup>th</sup>.
  - Interns **should not have** vacations scheduled during this ten-week period.
  - *Paid Time Off will not be permitted.*
- Interns must plan to be available to join peer-group calls as indicated in the [tentative Internship Call Schedule](#) as well as calls with Subject Team members and Industry Mentors as agreed upon throughout internship.
- Internships will be remote; with the exception of the Orientation/Welcome and concluding Project Presentation being in-person at the IFPA office(s). Travel for the onsite meetings is mandatory. Travel costs and outlined expenses for the time at the in-person meetings will be reimbursed.

#### COMPENSATION AND BENEFITS:

- Interns will receive a total stipend of \$4,400 for the 10-week internship
  - Payments of \$1,100 will be made four times over the 10-week Internship
  - **If work or call attendance/participation is deemed unsatisfactory** and termination is decided, payment amount will pro-rated up to the point of termination.
- There are no leave benefits.
- There is no health, dental, retirement or life insurance benefits.
- Internships will be remote/virtual with the exception of travel for the Orientation/Welcome and concluding Project Presentation.
- Travel costs, accommodations, and other outlined expenses for in-person meetings at IFPA office(s) will be reimbursed by IFPA.
- Interns will receive an IFPA issued laptop for use for the duration of the internship.

#### APPLICATION PROCESS:

Funding for this position is grant-based, with the goal of promoting participation in the agriculture and food systems workforce by groups who are noticeably underrepresented in the field, including but not limited to women and people of color. Interested applicants who possess minimum qualifications for this position must first [create an account](#)
